THE EVENT

The annual Spooktober 5k + Fall Festival provides excellent sponsorship opportunities for local businesses at every level. The run takes participants through the beautiful 97 acre oak-covered campus in central Austin. Our fall festival features loads of fun with food truck vendors, games and activities, face painting, vendor marketplace and more. Help us continue to celebrate our 100th anniversary by sponsoring recreation, outings, celebrations and so much more for this special population. All sponsorships and in-kind donations are 100% tax-exempt. Our success comes from sponsors who see our purpose, support the residents and partner with us to enhance the lives of many.

SPONSOR THE NEED

LET US INTRODUCE YOU TO GAYLA PAULETTE

The saying that someone “lights up a room” when they enter is the perfect description of AuSSLC resident, Paulette. Her happy and loving nature is with her

wherever she goes, brightening the days of everyone around her and she often can be seen welcoming campus tours with a warm smile and conversation. Paulette is a long-term resident, having lived at AuSSLC for 56 years! She lives in home 792 and shares a room with her best friend. Over the years the ladies of 792 have become more like sisters having grown up together, sometimes for as long as 30 years. Paulette takes great advantage of all that the center offers. She is an enthusiastic and dedicated member of the community

choir, she participates in a weekly cooking class, trying out new recipes and she enjoys working at workshop 527. At her job, she works on mail outs, collating and boxing items for several state contracts. Paulette takes great pride in her work and always looks forward to paydays on Friday. She treats herself to a coke and chips each Friday for her hard work all week.

Austin SSLC Community Choir has become a great source of enjoyment and pride to Paulette. The music always moves her and many times she'll hop up to dance to a good beat. The choir director has marveled that she has perfect rhythm, keeping the beat for the group on a regular basis with drumsticks and bongo drums. Paulette's staff comment on how cheery she is going to choir practice and coming home from it she usually remarks “I want to do that again tomorrow!” Paulette also enjoys going on outings with her sister, Linda, to stores and restaurants in the Austin area. This year the 792 housemates took a group trip to San Antonio to experience staying in a hotel, eating at restaurants and visiting museums and feeding the animals at the natural wildlife refuge. These are the moments that make for a full life. **We hope you join us in supporting the wonderful individuals with disabilities through sponsorship of the 6th Annual Spooktober.**
